

Section VIII
Girls Basketball Handbook
2024- 2025

November 2024

Message from Section VIII Interim Coordinators

Jennifer Keane and Mike Pelan

The Section VIII Girls' Basketball 2024-2025 Handbook is updated annually and distributed to all persons involved during the basketball season. The purpose of the manual is to inform you of the methods and procedures to be applied for the 2024-2025 Season, *please read it thoroughly.*

REMINDER: EACH PROGRAM IS ALLOWED 20 VARSITY AND 19 JUNIOR VARSITY GAMES

On behalf of TJ, we would like to thank everyone involved in girls' basketball for all their support and hard work during last season. It was a great year and it couldn't have been achieved without everyone's cooperation.

We would also be remiss in not thanking the members of the Girls' Basketball Committee. Without their hard work and tireless efforts we would not have the outstanding program that we currently have.

On behalf of the Basketball Committee, we would like to wish you the very best of luck during the season and hope your basketball experience will be both successful and rewarding. If you have any questions, please feel free to contact us at:

E-mail: keanej@wantagschools.org and mpelan@malverneschools.org

Lopsided Policy

Philosophy: "Section VIII Athletic Programs are educationally based designed to encourage safety, participation and sportsmanship." Contributors of Section VIII for all playing levels, (V, JV, JH) feel that this policy will serve to provide a wider range of players with additional playing time while keeping the game competitive.

Guidelines: Each sport coordinator will be charged with writing guidelines, to be included in the sport overview, for coaches to follow while competing during season play. This policy will enforce the written guidelines for each sport.

First Reported Incident: If the score exceeds the written sport guidelines, a report must be submitted online on the SECTION VIII UNSPORTSMANLIKE Behavior/INCIDENT/DISQUALIFICATION REPORT. This report is to be completed and submitted by game officials and athletic directors of both schools within 24 hours of the incident and/or violation. The form will include recording the score and a statement to be made by the sender: In your opinion, was this an infraction of the sport guidelines set for the score differential, YES or NO. A notification of this report will be sent to schools athletic director, principal, and superintendent. If report indicated YES, it will be reviewed by the sport coordinator, coach's association president and office of the executive director and if warranted, a letter of warning will be issued by the office of the Executive Director to the athletic director, principal and superintendent of the offending school.

Second Reported Incident (In the Same Season): A second reported incident involving a coach will be communicated to all the listed above, but the details involved will be addressed by a committee of: Sport Coordinator, Coaches Association President, office of the Executive Director, HSAA President, Sportsmanship Chairperson, and OCC President. The committee will consider evidence (scorebooks, video, written/verbal reports from both coaches and officials) to determine if an adequate attempt was made to mitigate the score. The coach will be suspended during the pending review by this committee, pending appeal from the athletic director. A letter of reprimand with a recommendation of consequences will be issued by the office of the Executive Director to the athletic director, principal and superintendent of the offending schools.

Third Reported Incident (In the Same Season): A third reported incident involving a coach will be referred to the committee that met in the second incident, with an immediate suspension with no appeal from the athletic director until the incident is ruled upon. This may lead to more severe disciplinary action including suspension for the remainder of the season. Such disciplinary action could carry over into subsequent sports seasons. Additional consequences may also be recommended by the office of the Executive Director.

Girls Basketball Lopsided Policy

The Section VIII Athletic Council has asked that all sports adopt a lopsided score policy. In the event a team(s) does not adhere to the policy, there will be an investigation and findings brought to a Section VIII lopsided score committee. They will decide if it warrants any type of action like a coach suspension.

- When two Section VIII teams are playing and the point differential is 35 points, policy is as follows:
 - If your team is able to clear the bench and play 2nd and 3rd string, you should. If your team does not have 5 back ups to put in, you are to teach the starters that are in to navigate and share the ball for the 2nd and 3rd string players to score. Each team MUST make every attempt to keep main(better) players from dominating and scoring. They are to assist the back ups to gain more game experience and chances to be involved.
 - There is to be no pressing and trapping by EITHER defense.
 - Defense for BOTH teams should wait at the 3 point line and in.
 - Teams can play man or zone but still NO Trapping.
 - Winning team should make an attempt not to fast break.

•If the losing team gets the score to 20 points or below, starting players may come back into the game. If the score gets back to a 35 points differential, both teams must follow the policy stated above.

•All scores that exceed 35 points will be reported to the sports coordinator and an investigation will take place on why this happened. The lopsided score committee, AD's and Coaches from both schools will meet to discuss the possibility of a consequence.

COACHES CHECKLIST FOR SEEDING MEETING

- Fill out the team record sheet
- Fill out Player Roster Sheet for playoffs
- Be Prepared to Rank your officials for playoffs

- Be sure to have the most accessible phone number in case of emergency on your roster sheet. This may not be the home number.

- League Record
- Overall Record
- Competition/Record against other teams that have qualified for the playoffs
- Record against common opponents

3. Record vs Playoff Teams in your Conference
4. Record vs Common Opponents outside your Conference
5. Tournament Committee Decision

Breaking ties within Classification for seeding purposes

1. Conference Finish
2. Head to Head in non-league play
3. Tournament Committee Decision

Tie Breaker Criteria for teams qualifying for playoffs:

All tie breakers will be determined by conference games.

1. Head to head record
2. The total number of wins against teams that finished ahead of you in the conference. The team with the most wins gets the spot.
3. Quality wins against teams that finished ahead of you, one at a time, beginning with the first-place team. (i.e. if you beat the first-place team and the other team does not, you get the spot.
4. The number of wins vs. teams below you are taking one spot at a time.
5. Seeding Committee decision. The seed committee may use any other information to help seed if conference play cannot clearly determine a seed. The seed committee decision is final.

Complete League Games

It is mandatory that you complete all league games by Tuesday, February 11th. You may play this game at any time, but please remember to call Newsday immediately after the game. If your game has playoff or seeding implications, please email Jen and Mike at E-mail: keanej@wantagschools.org and mpelan@malverneschools.org with your score immediately after the game.

Basketball Seeding Committee Meeting will convene tentatively on Feb. 12th at 9:00am at Nassau BOCES.

- The committee will meet to verify the playoff teams and fill in the brackets.
- The committee needs the scores to determine the playoff teams.
- End of year wins/loss report sheet is due Tuesday night, February 11th also to be emailed to Jen and Mike at E-mail: keanej@wantagschools.org and mpelan@malverneschools.org
- Please do not delay in getting these scores called into Newsday on Tuesday night.
- Officials' rankings must be completed via the provided google form.

Play in Game

- The top 4 in each conference (tie-breaker criteria used for tie) and .500 above make the playoffs. If two teams are tied for 4th and below .500 and they stay tied after all tie breaker criteria is exhausted, they are in! No play-in game needed!

First round

- Since there is the potential for many teams to qualify due to .500 record qualifiers, the first-round games will be played Friday, February 14th for AAA, A, B (if needed) and Saturday, February 15th for AA.
- Should there be more than 8 teams in AA that qualify, the committee reserves the right to seed all teams in a larger bracket, similar to A. Teams with a .500 record are considered qualified for the tournament and will be seeded based on criteria.

Tournament Rules, Regulations and Procedures

- All rosters are to be submitted electronically (see below). These will be the rosters used for the program
- You are responsible for the correct spelling and must fill in all information.

Tournament Information:

Game Dates: All games are to be played on the date specified. Inclement Weather: If there is some doubt whether the game will be played due to inclement weather, the home school must comply with the following steps:

- Call the Section VIII coordinator, give a new date and time. The game must be played the next day. If your school is not available, the game will go to the visiting
- team. If this poses a problem, the coordinator will set up a neutral site at the expense of both teams.
- Call the game officials, give them the new information.

There may be a circumstance where the coordinator will cancel the entire playoff schedule on a day of

inclement weather. Communication is essential.

Semi Finals and Finals:

During these games the Section VIII Coordinator will contact the participating schools. The decisions on playing or not shall be determined by the coordinator and the Executive Director –Pat Pizzarelli. Once this decision is made, the Section Coordinator will call the following people:

- Schools athletic directors- home and opposing
- Coaches of both home and opposing schools
- All game officials.

Early Round Games:

- There will be no charge from BOCES to attend all first round and quarterfinal games.
- It will be left up to the individual home school if they want to charge for the game.
 - The admission charge should not exceed \$2.00.

 - A section gate list shall be honored at this round.

Game Times:

Early round game times will be determined by the host school.

- No games shall be scheduled before 10:00 a.m. and no later than 8:00 p.m.

Home School Responsibilities:

The higher seeded team is considered the home team during the entire tournament.

PLEASE NOTE: Those teams hosting a game need to take the responsibility to provide the most positive and safe atmosphere for all concerned. As the host team you have the advantage of hosting a game at your school, however, you must realize that you are hosting a Section 8 playoff game and, as such, not treat the game as a regular season home game. There will be no “Senior Nights” or awards presentations that are specific to your school or players. Schools may arrive at the playoff 40 minutes before the game. If you host a game, an AED MUST BE ON SITE. *THE OFFICIAL GAME BALL FOR ALL PLAYOFF GAMES IS THE SPALDING TF 1000 Legacy*

The home team will:

Play in the largest gym in that school’s district. If the gym is not available, the game will be played at the visitor’s school. A school may not play in the smaller gym used for their league games. It cannot be by mutual agreement of the coaches that a game be played in the smaller facility. If the home school does not adhere to the rule on game day, a forfeit will be assessed. Valley Stream Central and Herricks are the gyms that need to be played in another facility than regular season games. If you are not sure if your gym is suitable, check with the coordinator for clarification. Wear light-colored uniforms. Please check with the opponents to make sure the uniforms will contrast.
