Cancelled Season Payment Form

This form is only to be filled out if you have game(s) removed from your schedule due to a team cancelling their season. If you are assigned another game of equal or higher level on the same date as a cancelled game due to a team's season being dropped, you are not eligible for payment. It is the official's responsibility to keep their availability open on the date on which the game was cancelled. Any alteration will result in no payment.
