Rules, Changes and Policies

Goals

1. ***Our goal is to have an equally skilled grouped conference within each classification (Division I & Division II).***
2. ***To achieve the goal, we are proposing 5 conferences (2 -Division I & 3-Division II)***
3. ***All league matches must be played and will count toward playoff qualification.***
4. ***Division I – 10 teams will qualify for playoffs, per Section VIII policy.
Division II – 14 teams will qualify for playoffs, per Section VIII policy.***

Fall 2026 Scheduling – 1-Year Pilot Program

The Fall 2026 season will be a one-year pilot program featuring home with Varsity and JV paired opposite each other.

- If Varsity is **HOME**, then JV will be **AWAY** (and vice versa)
- Both matches will be scheduled for a 5:00 PM start time
- JV matches will now be best of 5

Additionally, with this one-year pilot in place, all JV matches must be played regardless of the officials' situation.

This means that if a JV match is scheduled and there are no officials assigned, the teams are still obligated to play the match as scheduled, as-is.

TIE-BREAKING

The TOP finishers in each Division will be determined by:

- A. W-L% (match) in all matches-ALL must be played to qualify.
- B. Head-to-Head Results (match) among tied teams
- C. Set differential
- D. Head-to-Head Results (games) among tied teams
- E. The number of wins against the teams who finished ahead in the Division.
- F. Committee vote
- G. Sport Coordinator vote

For seeding position only

- H. The number of wins against the teams who finished ahead in the Division.
- I. Quality wins against playoff teams, one at a time beginning with the #1seed (ex. The team that beats the higher seed in fewer games gets the high seed)
- J. Quality losses against playoff teams, one at a time beginning with the #1seed (ex. The team that loses to the higher seed in more games gets the higher seed)

- K. W-L % (games) all games
- L. Committee vote
- M. Sport Coordinator vote

For last playoff spot only

A play-in game will be played at the home school of the team seeded higher based on H-I.

If more than 2 teams tied, then matches will be best of 3 at the higher seed based on H-I.

LOP-SIDED SCORE POLICY

A lop-sided score will consist of any match where:

1. The match result must be 3-0
2. Each game within the match must have been won by a margin of 20 or more points
3. The coach of the losing team must perceive that the winning coach made no effort to mitigate the lopsided outcome.

Procedures:

1. The losing coach, if perceiving no attempt to mitigate the lopsided outcome, must report the incident to: Their Athletics Director, the opponent Athletics Director, the Sport Coordinator, the Coaches Association President, and the Section VIII Executive Director. The losing coach will be responsible for submitting a written explanation substantiating their belief that there was either no attempt or an inadequate attempt to mitigate the lopsided outcome.
2. The first reported incident of a lopsided outcome will be communicated by the Sport Coordinator to the winning team's Athletics Director who will address the concern internally using their best judgment and will be expected to communicate that outcome to all listed above in #1.
3. A second reported incident involving a coach will be communicated to all the listed above in #1, but the details involved will be addressed by a committee of: the Sport Coordinator, the Coaches Association President, at least 3 Division Coordinators/Representatives. This committee will consider evidence (scorebooks, video, written/verbal reports from both coaches and officials) to determine if an adequate attempt was made to mitigate the lopsided score. A written communication of those findings will be sent to the Athletics Director and Principals of both teams involved. The Athletics Director of the winning team will report back to the committee the further steps, additional to and/or above and beyond those taken following the first incident, taken to address the concern internally.
4. A third reported incident involving a coach will be referred to the Section 8 Ethics Committee.
5. These procedures will apply only to contests played during the League Schedule, will not include tournament play or the post-season and will not carry over from year to year.

Prolonged Interruption Policy

If circumstances delay the completion of a match (bad weather, equipment failure, etc.), the results at the time of the interruption will remain the same, and the match resumes under the same conditions, if possible. The score at the time of interruption, results of completed sets, etc., are retained. A conference may opt to establish rules to cover situations in which a prolonged interruption prevents a match from being concluded and still consider the match a completed contest. If no such action is taken by the conference, the result is recorded as a no-contest for both teams.

SECTION VIII PLAYOFF POLICY

The following formula would be used to establish the number of teams that would qualify for “Post seasons play” based upon the total number of teams in each classification. The same formula would be used by sports that do not use classifications. The purpose of these changes is to create an equitable and fair number of teams that make the playoffs for each classification.

*1 team	Class representative for Section VIII to New York State Regional games
2 teams	2 team bracket
***3 or 4 teams	3 or 4 team bracket
5-8 teams	4 team bracket
9-11 teams	6 team bracket
12-16 teams	8 team bracket
17-20 teams	10 team bracket
21-24 teams	12 team bracket
25-28 teams	14 team bracket
29-32 teams	16 team bracket
33-36 teams	18 team bracket
37-40 teams	20 team bracket

This would allow for a minimum of 50% of the teams/schools that offer a specific varsity sport to qualify for post-season play.

*1 Team - See revision #1 of Section VIII Team Playoff Policy.

***3 or 4 teams - The recommendation for a semi-final game should come from the sports committee of that specific sport (as per revision #3 of Section VIII Team Policy).
